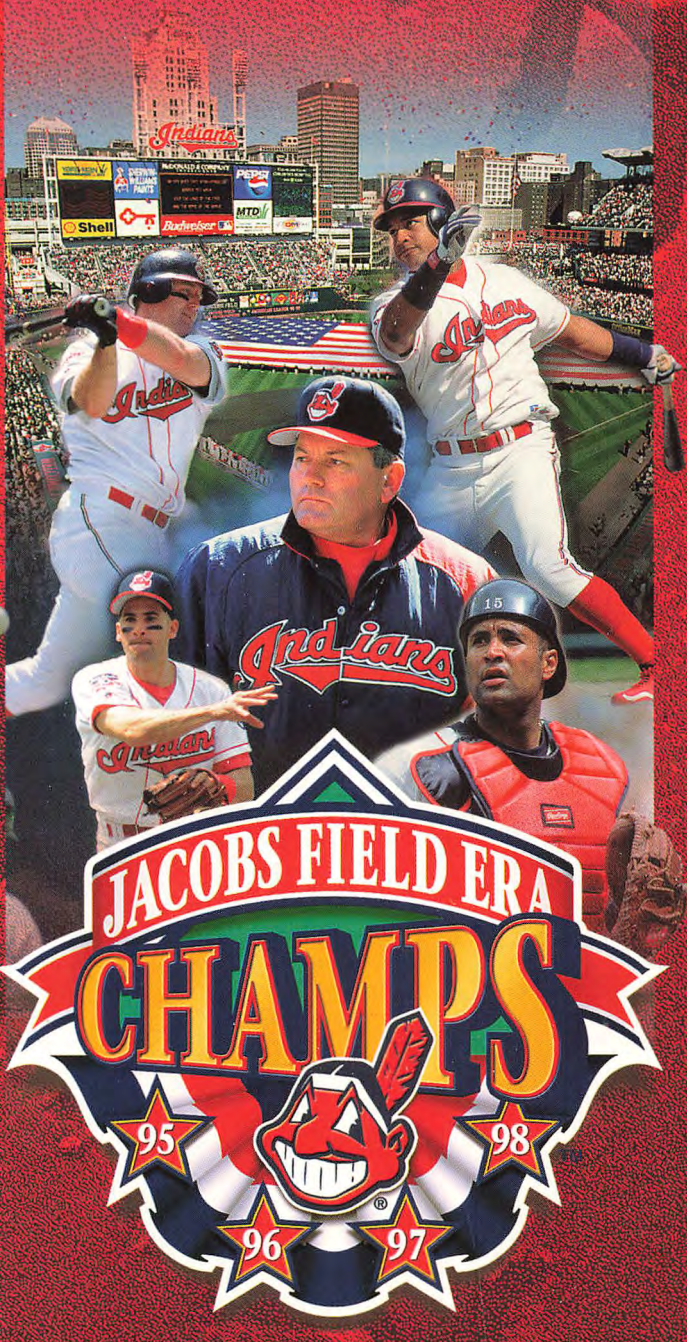
1999 MEDIA GUIDE



Cleveland Indians Charities

Cleveland Indians Charities (CIC), the charitable arm of the 1998 American League Central Division Champion Cleveland Indians, was established in 1989 to make a positive contribution to the quality of life for Northeast Ohio youth by providing educational and recreational opportunities.

The Indians, through the generosity of their corporate sponsors and various fund-raising events, donated nearly $500,000 to area charities in 1998. For the fourth straight year, the Indians donated $100,000 to the Cleveland Indians Public Schools' Athletic Department. The $100,000 donation will help defray the cost of its high school boys' baseball and girls' softball programs.

CIC has also made significant donations to the following organizations in 1998: the Boys and Girls Clubs of Cleveland ($100,000); the City of Cleveland Division of Recreation ($45,000) for the operation of the Rookie League youth baseball program and a girls' softball program; the United Black Fund ($40,000) for the operation of the Larry Doby RBI (Reviving Baseball in Inner Cities) Program presented by Huntington Bank; the Cleveland Baseball Federation ($20,000); and the University Hospitals AAU Junior Olympic Games ($50,000), which will be staged in Cleveland from July 27 to August 7, 1999.

Since 1989, CIC has donated nearly $2,500,000 to local organizations who serve the youth of Northeast Ohio. The Cleveland Indians organization and its players have a unique opportunity to make a positive impact on the youth of Northeast Ohio. It is an opportunity and responsibility we embrace.

BASEBALL OPERATIONS

JOHN HART

Executive Vice President and General Manager

John Hart enters his eighth season as Executive Vice President and General Manager of the Cleveland Indians. He was named General Manager on September 18, 1991 after spending the 1990 and 1991 seasons as the Indians Director of Baseball Operations under former Indians President Hank Peters. John currently ranks 4th in tenure among the fourteen AL GMs.

Under John's tutelage the Indians have posted a record of 601-483, a winning percentage of .554, since he was named General Manager at the end of the 1991 season.

During the "Jacobs Field Era," John and his staff have turned the Indians into a perennial contender in the American League. The "Jacobs Field Era" has seen the Indians capture two of the last four American League Pennants (1995 and '97) and a franchise record four consecutive AL Central Division titles (1995-98). Since the building opened in April of 1994, the Indians have played to sold out crowds in 333 of the 362 (92.0%) regular season dates, including a standing major league record of 292 consecutive sellouts since June of 1995. The Indians are just the 3rd Major League team since divisional play began in 1969 to post four straight division titles (Oakland A's, 1971-75; Atlanta Braves, 1991-current). The Tribe's 47 post-season games in the decade of the 1990's is second only to the Atlanta Braves (81).

Since John assumed the role of GM in 1991, he has implemented the signing of long-term contracts by the Tribe's young, core players. The visionary strategy has virtually eliminated the acrimonious process of arbitration and has created stability for the franchise. Twelve players on the Tribe's 40-man roster are signed to long-term deals into the next century.

Also, the minor league/player development system he oversees, which has produced the likes of Jim Thome, Richie Sexson, Manny Ramirez, Bartolo Colon and Jaret Wright during his tenure, was named the best in Major League Baseball in a 1996 poll by *The Sporting News*. In addition, the Indians were also named "Organization of the Year" by *Baseball America* in 1992.

In 1994, John earned one of the highest honors in baseball when he was named Major League Baseball "Executive of the Year" by *The Sporting News*. He was only the second Indians executive to receive the award, the last being Bill Veeck in 1948, and was also named TSN "Executive of the Year" in 1995 after masterminding Cleveland's first American League pennant since 1954. He was given a contract extension through 2003 (with four club option years) in February of 1998 by owner Richard Jacobs.

Hart joined the Indians family as a Special Assignment Scout in 1989. He also served as interim manager for the Indians for the final 19 games of the 1989 campaign after the dismissal of Doc Edwards. During his brief stint as Tribe skipper the team compiled an 8-11 record.

John was born in Tampa, FL on July 21, 1948. He graduated from Winter Park (FL) High School where he played football, basketball and baseball. He played baseball at Seminole Junior College and earned Junior College All-American honors in 1969 as a catcher.

He began his professional baseball career in 1969 as a catcher in the Montreal Expos organization followed by seven seasons in the Baltimore Orioles organization. He was a minor league manager for the Orioles for six seasons (1982-87) at

the A, AA, and AAA levels where he compiled a record of 436-334 (.566). He was named Appalachian League Manager of the Year in 1982 and Minor League Manager of the Year at Rochester (AAA) in 1986. During stretch he also managed three seasons in the Dominican Winter League, guiding the Estrellas club in San Pedro de Macoris. Hart spent the 1988 season as the Baltimore Orioles third base coach before joining the Tribe in 1989.

John graduated from the University of Central Florida in 1973, majoring in history and physical education. John and his wife, the former Sandi DeVorak, have been married for 29 years and reside in Westlake, OH. John and Sandi have a daughter, Shannon.

Mark Shapiro

Vice President, Baseball Operations and Assistant General Manager

Mark Shapiro enters his first season as the Tribe's Vice President of Baseball Operations/Assistant General Manager. The 32-year old Shapiro replaced Dan O'Dowd on November 3, 1998 after spending five seasons as the Tribe's Director of Minor League Operations from 1994-98. The 1999 season marks his 8th season as a member of the Indians organization.

Mark Shapiro's tenure with the Cleveland Indians began in January of 1992 as an assistant in Baseball Operations. He was promoted to Assistant Director of Minor League Operations the following January where he assisted in all aspects of the Tribe's farm system, including: player development, minor league player programs, staffing, and player movement. Mark's ever-expanding role grew even larger in January of 1994, assuming the role of Director of Minor League Operations.

During his tenure as Director of Minor League Operations Mark oversaw all aspects of the Tribe's player development system and Latin American operations. He implemented the Winter Development Program and installed a system of individual player plans for every Tribe minor leaguer in the farm system. The system he helped to create and oversaw is based on a holistic philosophy of development, providing cutting edge resources to the Indians's players in the mental, physical and fundamental domains.

As Assistant General Manager he, along with John Hart, is responsible for the day-to-day operations of the major league club, including working with John on all trades and free agent acquisitions. Mark has also played an important role in the conception and implementation of the Indians widely recognized long-term contract strategy, which locks up the tribe's core players to ensure stability for the organization. In addition, Mark will oversee the club's player development and scouting departments.

Mark played 4 years of football for Princeton University Tigers, graduating in 1989 with a degree in history. Following his graduation from Princeton he worked in the real estate development industry in Southern California before latching on with the Tribe in '92.

Mark, who is single and resides in Shaker Heights, is originally from Baltimore, MD. His father, Ron, represents major and minor league baseball players and has authored a recent book on negotiation entitled *The Power of Nice*.

Josh Byrnes

Director, Scouting

Josh Byrnes begins his first full season as Indians Director of Scouting. Josh replaced former Scouting Director Lee MacPhail in July of 1998.

Byrnes, 28, directs all aspects of the organization's amateur scouting efforts, overseeing the efforts of the Tribe's seventeen area scouts, three regional supervisors and a national crosschecker around the United States, Puerto Rico and Canada in preparation for the 1999 First Year Player Draft on June 2. After the June draft, Byrnes' scouting staff focuses their efforts on evaluating minor and major league players in all 30 Major League organizations. In addition to his amateur and professional scouting duties, he also assists John Hart and Mark Shapiro in all player acquisitions.

The Washington, DC native began his tenure with the Indians in 1994 as an intern in the Tribe's baseball operations department before joining on full-time for the 1995 season. From 1994-96, Josh compiled all of the advance scouting reports for the Major League coaching staff and assisted John Hart in player acquisitions. Josh became the Assistant Director of Scouting in October of 1996 and spent all of 1997 and half of 1998 in that capacity before being named director midway thru the 1998 campaign.

Josh is single and resides in Lakewood, OH. He graduated from Haverford College outside Philadelphia with a degree in English in 1992. He played four years of baseball for the Fords, captaining the winningiest team in school history while graduating as the career leader in HR and RBI. Upon graduating from Haverford he worked for the Center for the Study of Sport in Society in Boston.

NEAL HUNTINGTON

Director, Player Development

Neal Huntington begins his first season as the Tribe's Director of Player Development, his 2nd season with the Indians. Neal succeeded Mark Shapiro on November 3, 1998 when Shapiro was promoted to Assistant General Manager.

Huntington, 29, spent his first season with the Tribe in 1998 as the Assistant Director of Minor League Operations, assisting Shapiro in the Tribe's minor league system. As director Neal will oversee all aspects of the Tribe's Player Development system and the Latin American field operations in the Dominican Republic and Venezuela.

Neal is in his 8th season of working in professional baseball, spending the first six seasons working in the baseball operations department of the Montreal Expos. He joined the Expos as an Administrative Assistant, Minor League Operations during the 1992 season. Neal spent the 1994 season as the video advance scout for the Expos Major League club that had compiled the best record in Major League Baseball at the time of the strike. Huntington was promoted to Assistant Director, Player Development after the 1994 season where he assisted in all aspects of the Expos' Player Development system. During Neal's tenure with Montreal the Expos were named "Organization of the Year" by *Topps* in 1993 and 1996. Neal joined the Indians as the Assistant Director of Minor League Operations on October 20, 1997.

Neal played four years of baseball at Amherst College (MA), graduating in 1991 with a degree in Psychology. He was a two time co-captain and MVP for Amherst and was named a Division III 2nd Team All-American and the 1st Team All New England first baseman after his senior season. Neal also holds a Masters of Science in Sport Management from the University of Massachusetts at Amherst.

Originally from Amherst, New Hampshire, he now resides in Bay Village, OH with his wife, Becca. The Huntington's have one son, Connor.

PRO CAREER

1997 Acquired from the A's on 12/8 for Mike Fetters, who was acquired earlier in the day from Milwaukee along with Ben McDonald and Ron Villone in exchange for Marquis Grissom and Jeff Juden…Completed his comeback from two elbow surgeries, including "Tommy John" surgery on 6/16/95, as he opened the season in the A's starting rotation…Made a team leading 24 starts even though his season ended early on 8/6 when he was placed on the 15-day DL with right elbow tendinitis…Also led the A's with 92 strikeouts and was second with 132.2 IP…Had pitched just 62.0 innings over the previous three seasons because of his elbow problems…His first start on 4/4 vs. New York was his first in the major leagues

since 4/25/94 at Baltimore...Followed that up with another no decision in an A's win, but then went 0-5 with a 5.77 ERA over his next seven starts...Pitched well in his two no decisions, striking out a career high 12 and allowing just one run in six innings on 4/26 vs. Kansas City....Picked up his first win on 5/23 at Minnesota, tossing a season high 7.2 innings (3ER, 6SO)...It was his first victory in the majors since 4/9/94, also at Minnesota, a span of three years, 43 days between wins...Went 1-5 with a 7.78 ERA over his final eight starts (37.0IP, 57H, 32ER, 13BB, 19SO)...A's were 7-17 in his 24 starts...Won-lost percentage of .200 (3-12) ranked last in the majors...**1996** Made five spring training appearances with Oakland and was 0-0 with a 1.50 ERA in 6.0 innings...Allowed a run on four hits and a walk while striking out four but ended up spending his entire season at Modesto...Started all 14 of his outings at Modesto but was used sparingly, pitching more than three innings just once...Walked just one batter while striking out 31 in 34.0 innings...Pitched two scoreless innings against San Jose on 4/6, but suffered a minor set back to the elbow and was shut down for nearly two months...Returned on 6/1 with a perfect inning at Visalia...Did not allow an earned run over his first seven starts (15.0IP)...Last outing came on 8/8 vs. Lake Elsinore...**1995** Came to spring training after missing most of 1994 following arthroscopic surgery to repair cartilage damage in his elbow...Pitched in three games and was 0-1 with a 23.14 ERA...Last outing was on 4/21, a scoreless inning vs. Milwaukee...Was placed on the disabled list prior to opening day and remained on the DL the entire season following elbow surgery...On 6/16, Dr. James Andrews performed "Tommy John" surgery on his right elbow...He reconstructed the ulnar collateral ligament with a palmaris longus graft and anterior ulnar nerve transposition...**1994** Started the year in the A's rotation and was off to a promising start when elbow problems surfaced and led to surgery which effectively ended his season...Dr. Lewis Yocum performed the arthroscopic surgery 5/10 in Los Angeles to repair cartilage damage...Karsay made four starts in April prior to the surgery and was one of the most effective starting pitchers for the A's...Had one loss, a 2-0 decision to Roger Clemens at Fenway Park on 4/20...it was Steve's first career complete game as he matched Clemens zero for zero for six innings before Boston punched across two seventh inning runs for the win...Elbow problems began to surface following that start in Boston...**1993** Started the year at Toronto's Knoxville (AA) club but by the end of the season was a solid member of the A's starting rotation...Traded to the Athletics for Rickey Henderson just minutes prior to the 7/31 trading deadline...At Knoxville was 8-4 with a 3.38 ERA in 19 games, 18 starts...After the trade just moved over to the A's affiliate in the same league, Huntsville...Made 2 starts at Huntsville and was 0-0 with a 5.14 ERA and 22 strikeouts in 14.0 innings...Struckout a season best 13 in his first start with Huntsville on 8/6 vs. Chattanooga...Combined at both stops was 8-4 with a 3.58 ERA (118.0 IP, 47 ER) in 21 games, 20 starts...Struckout 122 in his 118 innings while walking just 35...In a *Baseball America* poll was named the Southern League's pitcher with the best control and best breaking ball...Was brought to Oakland on 8/16 and he made his ML debut vs. Milwaukee at the Coliseum on 8/17...Struckout the first hitter he faced (Listach) and went on to record the win pitching 6.1 innings...After his first win he lost his next three starts, but then settled down and finished out the year 2-0 over his last four starting assignments, allowing just 18 hits and 6 earned runs over his last 24.0 innings (2.25 ERA)...**1992** At Dunedin of the Florida State League tossed a one-hitter in his first start of the season 4/13 at Baseball City...Did not pitch from 4/24-6/23 due to a sore right elbow...Struck out a season high 13 in win over St. Petersburg on 81/7...Was 3-0 with a 1.55 ERA in his last four starts (29.0 IP, 36 strikeouts)...**1991** In his first full season pitched the full year at Myrtle Beach in the South Atlantic League...Wound up 4-9 but struckout 100 hitters in 110.2 innings...Struckout a season high 13 in a no decision vs. Asheville 4/27...That fall had arthroscopic surgery on his right elbow...**1990** Was Toronto's first round selection (22nd overall) in the June draft...Pitched his first summer at St. Catherines in the New York-Penn League and after allowing just 2 earned runs in 22.2 innings with 25 strikeouts was named the league's second best prospect by *Baseball America*.

1998 SEASON HIGHLIGHTS

- Proved to be a steady right-handed set-up man for the Tribe after his acquisition from the Giants one week prior to the trading deadline...Was limited to just 6 appearances in September due to numbness in the fingers of his right hand.
- Enjoyed a 22.1 inning scoreless streak from June 27 with SF to August 1 with Cleveland, a span of 17 appearances (first 4 w/CLE, 7.2IP)...At the time of the trade with the Giants he was tied for first in the National League with 50 appearances...Made his Indians debut on July 24 vs. Detroit and picked up the win (his first since 5/6 @FLA).
- Indians were 12-8 (.600) in games in which he appeared and he was 0 for 1 in save situations with the Tribe...Overall in 1998 at the big league level Steve went 4-3 with a 3.14 ERA in 70 outings (80.1IP, 56H, 28ER) for the Giants and Indians...His 70 appearances marked the 6th straight season since 1993 that he has topped the 60+ outing barrier and were 1 short of his career high (3rd 70+ appearance season in last 4 years).
- If you take away his outing vs. Oakland on August 28 (2.0IP, 8ER), Steve's ERA with the Indians was a respectable 4.18 (23.2IP, 11ER)...Numbness in his middle, ring and pinky fingers on his right hand limited him to just 6 appearances in September...Pitched just once (1.0IP) from Sept. 8-24 after an arteriogram on Sept. 10 that revealed a small blood clot in his right wrist...Was put on medication that dilated his arteries and pitched a scoreless inning vs. Minnesota on Sept. 17.
- Underwent an 2nd arteriogram on Sept. 19 at St. John's West Shore Hospital...A catheter was placed in his arm above the elbow down to his wrist that dissolved the clot...Pitched again on Sept. 25 at Minnesota (0.1IP, 0R) ...Allowed a run in only 1 of his 6 September outings and yielded a run in only 5 of his 20 outings as an Indian...On the year, 57 of his 70 outings were scoreless.
- Did not allow a run or a hit in his last 4 post-season outings (2.0IP) after allowing 3 runs (3ER) in just 0.1 of an inning in his '98 post-season debut in game 1 of the Division Series vs. Boston...Overall he went 1-0 with a 11.57 ERA in 5 playoff outings (2.1IP, 1H, 3R/ER, 2BB, 1SO)...First career post-season win came in the deciding game 4 of the Division Series at Boston.
- Indians picked up his club option for 1999 on October 20...Visited Cleveland Clinic in December and received clean bill of health after blood clot limited his effectiveness the latter portion of the season.

BEHIND THE SCENES

CY BUYNAK is now in his 38th season with the Indians, his sixth as Visiting Clubhouse Manger. After 29 years as head equipment manager and home clubhouse manager, Cy moved to the visitor's clubhouse in 1994.

The 63-year old Buynak began as an assistant equipment man in 1962, a position he held for four years before assuming the top job in 1966. Cy received the 1993 Steve Olin, Frank Gibbons "Good Guy" award from the Cleveland BBWAA.

During the off-season, the Benedictine graduate coaches CYO boys and girls basketball. Cy's girls varsity team captured the city championship in 1985.

Cy and his wife Mary reside in North Royalton with their dogs Sonny and Alex.

TED WALSH begins his third season as the Tribe Equipment and Home Clubhouse Manager. Ted was named to the post on January 6, 1997.

Ted, 36, came to the Indians from the San Francisco 49ers, where he spent 18 seasons with the 5-time World Champions, the last 12 of which he spent as their assistant equipment manager. Walsh already has ties to Major League Baseball, having worked as a clubhouse assistant in spring training in Sun City, AZ for the Milwaukee Brewers from 1982-86.

With the 49ers he designed and patented "Quick Cleat", a tool that is used by more than 300 college and professioal football teams to change cleats expediently on football shoes when turf conditions call for it.

Walsh was born and raised in Concord, CA and graduated from Concord High School in 1981. He received an associate of arts degree from Diablo Valley Junior College in 1985.

Ted is single and resides in Lakewood, OH.

JEFF SIPOS begins his third season as the Tribe's Equipment Acquisitions/Distribution Manager after serving as the Tribe's equipment manager from 1993-96. This season will be Sipos' 28th with the Indians.

Sipos, 44, has been associated with the Indians in a variety of positions since 1971— as a batboy, on the grounds crew, as clubhouse assistant and assistant equipment manager.

The 1977 graduate of Bowling Green State University is responsible for the budgeting, ordering, receiving and distribution of all equipment throughout the organization, at both the major league and minor league levels during spring training, the regular season and instructional leagues.

Jeff, a certified recording engineer, amateur hockey player and skydiver, is single and makes his home in Parma, OH with his father, Andy.

LOU BOUDREAU AND BOB FELLER AWARD RECIPIENTS FOR 1998

OF ALEX RAMIREZ was awarded the 1998 Lou Boudreau Award as the Tribe's top minor league position player and **RHP DAVID RISKE** the Bob Feller Award as the top minor league pitcher in the Tribe's farm system.

RAMIREZ helped lead the way to AAA Buffalo's second consecutive league championship as he hit .299 with 34 HR and 103 RBI in 121 games. The 1998 Stan Barron MVP for the Bisons set new Bisons records in three categories: most HR in a single season (34), RBI in a single season (103) and most consecutive games with a hit (28). Ramirez' 28-game hit streak was the longest in AAA since Nashville's Doug Brady hit in 30 straight in 1995.

Ramirez was named to the International League Post-Season All-Star Team. He finished T2nd in the IL in HR (34), T3rd in extra-base hits (63) and 4th in RBI (103). He became the first player in Bisons Modern Day history to hit for the cycle in the post-season. Ramirez was ranked by *Baseball America* as being the Tribe's 3rd best prospect.

RISKE had a tremendous season as the closer for Kinston. He was named to the Carolina League Post-Season All-Star Team as he led the league with his 34 saves and was 1-1 with a 2.33 ERA. His 34 saves tied him for third in the minors this season. In one stretch during the season (April 21- May 20) he did not allow a run in 15 outings on the way to picking up ten saves, which earned him Carolina League Pitcher of the Week honors. Riske's walk-to-strikout ratio was an incredible 15BB-to-67SO in 54IP. He appeared in two games for Akron as he tossed three scoreless innings (1H, 1BB, 5SO). Was a 56th round pick by the Tribe in 1996.

MINOR LEAGUE SKIPPERS

JEFF DATZ CLASS AAA BUFFALO

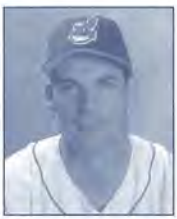
Jeff Datz returns for his second year as manager of the AAA Buffalo Bisons. In his first year as Bisons skipper in 1998, Datz led the Herd to their second consecutive league championship. The Bisons defeated Durham three games to two in the International League Governors' Cup Championship. Before going to Buffalo, Datz spent two seasons as manager of the AA Akron Aeros. In his two seasons at Akron Datz posted a record of 122-161 (.431). Datz has also managed at A Columbus and A Watertown in the Tribe system. He piloted Watertown to the best record in the NYPL in 1994. Jeff's five-year managerial record in the Indians system stands at 331-311 (.516).

Jeff's tenure with the Tribe began in 1991 as an area scout in Northern California and Nevada. He then served as an area scout in the state of New Jersey in 1992 and '93 before leaving his post in June of 1993 to serve as a coach for the Watertown Indians.

Datz's playing career began in 1982 after his selection in the 19th round of the June Draft by the Houston Astros. Datz played in the Houston organization from 1982-88, spending the enitre 1988 campaign with the AAA Tucson Toros. Jeff then signed with the Detroit Tigers and spent the 1989 campaign at AAA Toledo until his recall to the parent club on September 5. He collected his first ML hit off BAL's Gregg Olson on 9/20/89. In 1990, his final year as a player, Jeff spent the entire season with the Columbus Clippers after signing with the NY Yankees in the off-season.

Jeff and his wife Stacy make their home in Mullica Hill, NJ.

Datz's staff will consist of Pitching Coach KEN ROWE, Coach BILL MADLOCK and Trainer RICK JAMEYSON.



JOEL SKINNER CLASS AA AKRON

Joel Skinner returns for his second year as manager of the AA Akron Aeros. He continued his climb up the Tribe's managerial ladder in 1998 as he guided Akron in his first season at the AA level to a new franchise record number of wins (81-60) and a regular season Southern Division title. He was rewarded for Akron's accomplishments by being named 1998 *USA Today Baseball Weekly*'s "Minor League Manager of the Year."

In 1997 Joel skippered the Kinston Indians to a 87-53 mark and both the 1st half and 2nd half titles in the Carolina League's Southern Division. For his efforts, Joel was named "Manager of the Year" in the Carolina League in 1997. Joel has also managed at Columbus and Watertown in the Tribe system, and in 1995, Skinner led Watertown to the NYPL title and was named NYPL "Manager of the Year." In his four seasons of managerial duty in the Tribe system Joel has a record of 295-206 (.589). Prior to managing, Joel served the Indians as a roving minor league catching instructor.

Joel was acquired by the Indians on March 19, 1989 along with Turner Ward from the New York Yankees in exchange for Mel Hall. Joel made his ML debut with the White Sox in 1983. He spent parts of the next two seasons between AAA & Chicago before being traded to New York in 1986. He spent the rest of '86 in New York, split '87 between AAA Columbus and NY, and played the entire 1988 season in the Bronx. Joel hit a career-high .252 in 1990 with the Indians. His last season in the Majors was 1991. He had off-season shoulder surgery Nov. 22 and never fully recovered. He underwent two more surgeries before his eventual retirement midway through 1994. He finished his career in the Indians minor league system.

Joel and his wife Jennifer reside in Bay Village, OH with their children Kate, Erin, Cameron and Tara.

Skinner's staff at Akron includes Pitching Coach TONY ARNOLD, Coach ERIC FOX and Trainer NICK PAPARESTA.

ERIC WEDGE CLASS A KINSTON

Eric Wedge makes the move up from Columbus to pilot Kinston in 1999, the second year of his managerial career. Wedge in his first year as a manager guided Columbus to a record of 59-80.

Wedge began his playing career in the Boston Red Sox organization, splitting time between the minors and the parent club from 1989-92. He was the 24th player selected by the Colorado Rockies in the 1992 Expansion Draft. He returned to Boston in 1994 and was named the Red Sox minor league player-of-the-year that season. In 1996 he joined the Detroit Tigers organization and played at AAA Toledo. Wedge finished his playing career in 1997 at AAA Scranton-Wilkes-Barre, the Philadelphia Phillies top minor league club.

Eric is a career .233 (20-86) batter in 39 major league games w/2 2B, 5HR & 12RBI. Over his minor league career Eric batted .249 (530-2132) w/114 2B, 6 3B, 96HR and 377RBI in 658G.

- **DID YOU KNOW?** ...That the last and only Cleveland professional sports franchise to win 4 or more consecutive division or conference titles was the Cleveland Browns, who won six straight American and Eastern Conference titles from 1950-55 (44 years ago).

- **WAHOO TIDBITS** ... Indians spent the entire season in first place from March 31 to September 27 (181 days)...The Tribe's best record came on Sept. 21 (88-67), marking the first time since the end of the 1996 season (99-62) they have been 21 games over .500...The largest lead of the year came on Sept. 6 at 14.0 games ahead of the AL Central...Indians posted a record of 69-55 (.556) after being a season-worst 20-18 (.526) mark on May 13...Indians were never at the .500 mark after starting out the season at 6-0, their best start since beginning the 1966 campaign at 10-0...From June 9 through the end of the season the Indians were just 51-48 (.515)...From July 31 thru the end of the season the Indians were 27-28 (.491), which included a 13-15 (.464) mark in August, their first losing month since April of '97, snapping a streak of 9 straight winning months...Since moving to Jacobs Field in April, 1994 the Indians have had .500 records or better in 27 of the 29 months...Indians won a season-best 6 in a row on four different occasions, the last of which coming from Sept. 13-18...Indians lost a season-high 6 straight games from May 8-13, equaling the longest losing streak by an Indians team since June of '92 ...Indians were 82-27 when scoring 4 or more runs and 7-46 when scoring 3 or less runs.

** Won World Series*

- **MANNY HAPPY RETURNS** ... Indians **RF MANNY RAMIREZ** had one of the finest offensive in club history, hitting .294 (168-571) with 35 2B, 2 3B, 45 HR & 145 RBI in 150 games...His 45 HR are the 3rd highest single-season total in club history behind Albert Belle's 50 & 48 in 1995 & 1996...His 145 RBI tie him for the 3rd best single-season total in club history with Al Rosen's 145 in his MVP Award winning season of 1953...His 45 HR & 143 RBI as a RF this year broke marks held previously by **ROCKY COLAVITO** (1959-42HR, 1958-113RBI)...His 145 RBI ranked 4th in the AL and his 45 HR were tied for 4th...Enjoyed a 3 game stretch from Sept. 15-17

HISTORY OF THE CLEVELAND INDIANS

Professional baseball in Cleveland is one of the city's oldest traditions, approaching its 130th year in 1999.

When fans think of professional baseball in Cleveland most think of the current Cleveland Indians as being one of four charter members of the American League in 1901 (along with Boston, Chicago and Detroit).

However, the city of Cleveland has played host to every professional major league in the history of the game since the Cleveland Forest City's began this tradition on June 2, 1869 vs. the Cincinnati Red Stockings.

Cleveland fielded a National Association team in 1871 and 1872; a National League team from 1879 to 1884 and an American Association club in 1888 and 1889. In addition, Cleveland played host to teams in the Player's League, Federal League and Negro League.

In 1895 the Cleveland Spiders of the N.L. were winners of the Temple Cup Championship series against Baltimore (the Spiders lost the championship series to Baltimore the following season). The Cleveland Buckeyes of the Negro Leagues were crowned champions in 1945. The 1920 & 1948 Indians own World Series titles.

Many great ballplayers have graced the diamonds in Cleveland, and it is through the fortunes of those men in uniform that we learn of the history of the Cleveland Indians.

The first era of Cleveland's American League team is defined by the presence of **NAPOLEON LAJOIE**. Charles Somers, first owner of the new franchise, and a major financial backer for the entire junior circuit, acquired the Frenchman from Connie Mack's Philadelphia club. Lajoie had jumped from the N.L. to Mack's club, only to be legally restrained from playing in Philadelphia. Mack repaid Somers' financial support by trading Lajoie to Cleveland. Initially known as the Blues (1901) and Broncos (1902), Cleveland's nickname became Naps, in honor of Lajoie, in **1903**. During Lajoie's years with Cleveland, the club peaked in **1908** in a down-to-the-wire pennant race with Chicago and Detroit. The key players included third baseman **BILL BRADLEY**, first baseman **GEORGE STOVALL**, shortstop **TERRY TURNER**, outfielder **ELMER FLICK**, and 24-game winner **ADDIE JOSS**. Despite perhaps the greatest game ever pitched, Joss' 1-0 perfect game victory against Chicago's Ed Walsh on October 2, the Naps finished second.

Relinquishing managerial chores in **1909**, Lajoie reversed a declining batting average and engaged Ty Cobb in a memorable batting race in **1910**. Baseball historians still argue whether Cobb or Lajoie deserves designation as 1910 A.L. batting champ. Key arrivals and depatures occured in **1910-1911**. **JOE JACKSON** arrived in 1910 courtesy of Mack and soon supplanted Lajoie as the greatest batsman in club history. Tragedy struck in 1911 when Joss was stricken with spinal meningitis and died on April 11 at age 31. **CY YOUNG**, who rose to fame with the N.L. Spiders from 1890 to 1898, returned to Cleveland in 1909 and bid farewell again in 1911. By **1913**, Jackson, Lajoie, shortstop **RAY CHAPMAN**, catcher **STEVE O'NEILL** and pitchers **CY FALKENBERG** and **VEAN GREGG** were the nucleus of a rising franchise, but the upstart Federal League raided the A.L. and N.L. and the team. The **1914** team lost a club record 102 games and drew just 185,997 paying customers. Lajoie was released. Jackson was traded for three players and much needed cash.

A new name, new owner and new star ushered in the next era of Cleveland baseball. Lajoie's depature mandated a new team nickname. In fan balloting through a local newspaper, Indians was chosen to honor former Spider **LOUIS SOCKALEXIS**, the first well known Native American professional baseball player. Another baseball immortal, **TRIS SPEAKER** arrived in Cleveland in

1916, traded from the Red Sox after a contract dispute. Jim Dunn helped finance the Speaker deal and soon became the club owner. Speaker led the newly named Indians to greater glory. After strong contention in **1918** and **1919**, the Indians finally brought an A.L. pennant to Cleveland in **1920**, despite the tragic death of the popular Ray Chapman following his beaning by Carl Mays on August 16 at the Polo Grounds in New York. The '20 Indians led the A.L. in runs scored, doubles, triples, RBIs, walks and batting (.303). Speaker, outfielder **ELMER SMITH** and third baseman **LARRY GARDNER** each drove in over 100 runs. **JIM BAGBY** led the A.L. in wins (a club record 31), winning percentage, games, starts, CGs and IP. **STAN COVELESKI** became the first of many Tribe pitchers to lead the A.L. in strikeouts. Coveleski won 24 games, plus three more in the World Series, and former Yankees ace **RAY CALDWELL** added 20 victories. Rookie **JOE SEWELL** ultimately replaced Chapman and began a Hall of Fame career. Late season call-up **DUSTER MAILS** was a perfect 7-0 and helped hold off the Yankees and White Sox. Cleveland's five games to two World Series win against Brooklyn was puncuated by Elmer Smith's grand slam, the first grand slam in W.S. history, Jim Bagby's home run, and second baseman **BILL WAMBSGANSS'** famous unassisted triple play, all in the fifth game, October 10, 1920 at League Park. The Tribe was a solid contender in **1921** and **1926** led by Speaker, Sewell and pitcher **GEORGE UHLE**.

The two decades immediately following Speaker's departure brought great stars and memorable moments. This period saw the arrival of **EARL AVERILL, MEL HARDER, BOB FELLER** and **LOU BOUDREAU** (the first four Indians to have their numbers retired), a new stadium and new ownership. A syndicate led by John Sherwin and Alva Bradley purchased the club from Jim Dunn's estate on November 17, **1927**. After playing all home games in League Park, located at the corner of East 66th street and Lexington avenue, the Indians played their first home game at mammoth Cleveland Municipal Stadium on July 31, **1932** as Philadelphia's Lefty Grove edged Harder 1-0 before more than 80,000 fans. The Indians played home games exclusively at the lakefront stadium for the remainder of **1932** and all of **1933**. High costs and the size of the stadium drove the club back to League Park for all but Sunday and holiday games in **1934**. Cleveland's first home night games, all at the stadium began on June 27, 1939 with Feller's one-hitter against the Tigers. Highlights of the Bradley ownership period included **WES FERRELL**'s four straight 20-win seasons, **LEW FONSECA**'s 1929 batting title, hitting heroics of **HAL TROSKY** and Cleveland sandlot star turned pro **JOE VOSMIK**, tempermental **JOHNNY ALLEN**'s 15-game winning streak in **1937** and the infamous shirtsleeve incident of June 7, 1938. Allen was ordered from the pitching mound by umpire Bill McGowan for wearing a tattered uniform sleeve on his pitching arm. Allen was fined $250, but Bradley pacified the pitcher by purchasing the uniform for display at Higbee's department store. From there, the uniform went to the Hall of Fame in Cooperstown. **OSSIE VITT**, fresh from a 109 win season as manager of the International League Newark Bears in 1937, became Tribe skipper in **1938**. By **1940**, a veteran Cleveland team bolstered by rookies Boudreau and **RAY MACK** offered legitimate pennant hopes. Vitt's team became known as the Crybabies when a contingent of players asked Bradley to remove the tempermental skipper. Thwarted by a late season hitting slump, the Indians finished a game behind the Tigers.

From his arrival in Cleveland in 1936 to his enlistment in the U.S. Navy in **1941**, **BOB FELLER** was the focus of Cleveland's baseball attention. Signed by superscout Cy Slapnicka, Feller became the youngest player ever in Tribe history. Among his 14 regular-season appearances in 1936 was a 15-strikeout effort against the St. Louis Browns and a then major league record-tying 17 against the A's. Bob won 107 games games during his first six seasons, led the A.L. in strikeouts eight times, had an 18-strikeout game against Detroit on October 2, 1938, and pitched an Opening Day no-hitter at Chicago in 1940. His departure for military service came just as Boudreau was becoming

player-manager at the tender age of 24. Boudreau won a batting title in **1944** (he also led all major leaguers with 1,578 hits during the 1940s), but the Indians were out of the running throughout the war years. Feller returned to a hero's welcome in **1945** and returned to the forefront of A.L. pitchers in **1946** with 26 wins and a club record 348 strikeouts.

One of the most colorful, successful period in Indians history at the Stadium began on June 21, **1946** when Bill Veeck purchased the team. He moved the club back to the lakefront stadium on a full-time basis in **1947** and his innovative promotions helped spark record attendance. His solid baseball judgement built a pennant contender. Gambles such as signing **LARRY DOBY**, the A.L.'s first black player, in 1947 and venerable **SATCHEL PAIGE** in **1948** paid off handsomely. Keeping Boudreau, player-manager since 1942, rather than trading him to the St. Louis Browns, might have been the best non-trade in club history. Veeck's 1948 club stands far above all others as the most revered, best remembered team in Tribe annals. Featuring Boudreau, Feller, Doby, Paige, **KEN KELTNER, JOE GORDON, GENE BEARDEN**and **BOB LEMON**, the Indians took the A.L. pennant in a historic one-game playoff against the Red Sox at Fenway Park, then beat the Boston Braves in six games. Veeck departed in **1949**, but general manager Hank Greenberg remained and hired **AL LOPEZ** to replace Boudreau as manager in **1951**. The Lopez-managed Indians, dominated by pitchers Lemon, **EARLY WYNN**, and **MIKE GARCIA**, never finished lower than second and won a league record 111 games in 1954. Throughout his regime, Lopez' Indians were thwarted by New York teams, finishing behind the Yankees five times and losing the '54 World Series in four games to the Giants. The slugging Cleveland offense, led by Doby, **AL ROSEN** and **LUKE EASTER**, actually out-powered the Bronx Bombers in the fifties, leading the league in homers six times.

Standing in line to succeed the aging Lopez-Greenberg Indians were such young talents as 1955 Rookie of the Year **HERB SCORE, ROCKY COLAVITO, ROGER MARIS, JIM PERRY** and **JIM GRANT**. Tragedy struck again in **1957** when Score was felled by a line drive off the bat of New York's Gil McDougald. Score returned to pitch, but never to the brilliance he achieved earlier. Another ownership change preceeded the departure of Lopez and Greenberg. Hank had determined the Indians should move to another city, but new club president William R. Daley and the club board of directors chose to stay put and change general managers. Replacing Greenberg was Frank Lane, notoriously known as "Trader Lane". Lane made 60 separate deals from December 2, 1957 to December 15, 1959. In the process, the Indians returned to contention in **1959**, finishing a close second to the Chicago White Sox. The 1959 Indians led the A.L. in HRs, runs scored, batting average and slugging percentage. Tribe home attendance was up 125%, trailing only the Yankees, Dodgers and Braves.

Frank Lane dealt Tribe fans a crushing blow by trading Colavito to the Tigers for Harvey Kuenn on April 17, **1960**. Rocky had been co-HR champ in 1959, blasted 129 homers over four seasons, including four in a game at Baltimore on June 20, 1959, and had become the most charismatic Tribesman of his era.

Like Cleveland itself, the Indians suffered economically, underwent seven ownership changes in 25 years (as many as occured in the first 60 years of the franchise), and endured constant rumors that the club would relocate to Seattle, Atlanta, New Orleans or elsewhere.

Teams of **1962, 1965** and **1968** were perhaps a player away from pennant contention. The '68 team, led by **LUIS TIANT**, was the last Tribe team since 1959 to finish higher than fourth at the Stadium, but teams of 1962 and 1965 battled for first place beyond mid-season before fading. Colavito's return in 1965 was a high point of the sixties, but the cost included future stars Tommy John and Tommie Agee. Tiant's brilliant '68 season (21 wins, league-leading 1.60 ERA) was followed by arm trouble and departure. "Sudden" **SAM**

McDOWELL was a four-time strikeout leader during the 1960s. His 1965 season included a league-low 2.18 ERA, league-high 325 strikeouts (most ever by a Tribe lefty) and two consecutive one-hitters. McDowell won 20 games in **1970**. Colorful **KEN HARRELSON** was acquired amid much fanfare in 1969, broke his leg in 1970 and retired. **RAY FOSSE**, seemingly destined for stardom, was injured by Pete Rose in a memorable home plate collision to end the **1970** All-Star Game. Lack of stability and finances in this period placed an emphasis on immediate benefits rather than long-range plans. Accordingly, there were great individual accomplishments but little team glory.

GAYLORD PERRY, acquired with Frank Duffy for McDowell in **1972**, brought the Cy Young Award to Cleveland with a brilliant 24-win season. He was even better during the first half of **1974**, fashioning a 15-game winning streak. The '74 Indians, managed by **KEN ASPROMONTE** and featuring Perry, **BUDDY BELL, GEORGE HENDRICK** and **CHARLIE SPIKES**, were just a half game from first place on July 4 and in second as late as August 22 before falling to fourth. Short-term actions, like the trading of 1972 Rookie of the Year **CHRIS CHAMBLISS** and third baseman **GRAIG NETTLES** to the Yankees, came at long-term expense.

On October 3, **1974, FRANK ROBINSON** replaced Aspromonte, becoming the first black manager in ML history, giving Cleveland another giant first in baseball's integration efforts. His first at-bat, an opening day homer in **1975**, was voted the most memorable moment in club history by the fans! His **1976** Indians were the first with a winning record since 1968, but a slow start in **1977** led to Robinson's departure.

In the steal of the decade, general manager Phil Seghi obtained **ANDRE THORNTON** from Montreal for Jackie Brown. Thornton battled injuries and personal tragedy to become one of Cleveland's all-time leading home run hitters and most respected players.

Cleveland's third Rookie of the Year, **JOE CHARBONEAU** dominated **1980**. Joe was the subject of a book, song and fan support unseen since Colavito. But back trouble cut Joe's promising career short.

LEN BARKER's perfect game on May 15, **1981**, Thornton's **1982** comeback after missing all of 1980 and most of 1981, and **JOE CARTER**'s 30-30 season in **1987** are just some of the memorable feats played out on the shores of Lake Erie. The **1986** team featured heavy-hitting from Carter, Thornton, **CORY SNYDER, BROOK JACOBY, BRETT BUTLER** and **JULIO FRANCO,** and surprised fans with a fourth place finish and a league-leading offense.

In **1987**, under the new ownership of **RICHARD E.** and **DAVID H. JACOBS**, and club President **HANK PETERS**, emphasis was placed on player development and scouting. When the Indians "Blueprint for Success" was first put into action, the Indians farm system was one of the weakest in baseball. After Peters retirement, **JOHN HART** was given command of the club and, along with **DAN O'DOWD**, brought the Indians farm system to the forefront. In **1992**, the Indians were honored as baseball's Organization of the Year by Baseball America and there was no denying that the Tribe was a team on the rise.

In **1993**, the Indians went to spring training poised to turn the corner and become a contender, however, at the end of training camp the team suffered through one of the biggest tragedies in the history of the game as two of their pitchers **STEVE OLIN** and **TIM CREWS** were killed in a boating accident and **BOB OJEDA** nearly lost his life. The team showed its strength and regrouped to have a stellar second half of the season.

All eyes turned to **1994** as the Indians moved into their new state-of-the-art ballpark, Jacobs Field. The Indians had a solid nucleus of players in **ALBERT BELLE, KENNY LOFTON, CARLOS BAERGA, SANDY ALOMAR, CHARLES**

NAGY and **JIM THOME**. Prior to the '94 season the Indians signed veteran free agents **EDDIE MURRAY** and **DENNIS MARTINEZ**. This resulted in Manager **MIKE HARGROVE** piloting a club into contention for the first time in nearly four decades. The Indians were in position for a playoff birth in the newly formed AL Central division before a players' strike cancelled the season.

The Indians picked up right where they left off in **1995** after the players strike ended in early April. **MIKE HARGROVE**'s squad posted a major league-best mark of 100-44 and won the AL Central Division by a ML record 30.0 games. Belle became the first ever player to hit 50 2B and 50 HR in the same season and the first to collect 100 EB hits in a season since Musial in1948. **JOSE MESA**, who was acquired by Hart from the Orioles in '92 in exchange for a minor leaguer, led the league with 46 saves in 48 opportunities. In the post-season, the Indians captured their first AL pennant since 1954 when they defeated Seattle in 6 games. The Tribe eventually fell to the Atlanta Braves, 4 games to 2, in the 91st Fall Classic.

In **1996**, the Indians captured their second straight AL Central Division title and qualified for the post-season in consecutive seasons for the first time in club history after posting a 99-62 record. Belle and Lofton became the club's all-time HR and SB leaders, respectively, and finished with the best record in MLB for the second straight season only to be disappointed by a first round loss in the Division Series to Baltimore.

The Indians won their 3rd straight AL Central Division title in **1997** with a mark of 86-75 (.534) and entered the playoffs with the second worst record among the eight playoff teams. The Indians turned it up a notch in the post-season by capturing their 5th American League Pennant and their 2nd in the last 3 years. The Indians World Series roster that fell in an exciting 7-game series to Florida had twelve new players on it that were not on the '96 Division Series roster. The Indians defeated the Yankees and Orioles in the post-season to gain entrance into the Fall Classic. In 1997 the Indians set a club HR record for the 3rd straight season and **MIKE HARGROVE** collected his 500th win as Indians manager.

In **1998**, the Indians captured their 4th straight AL Central crown, becoming just the 3rd team since divisional play began in 1969 to win four straight division titles, winning the division by 9.0 games with a record of 89-73. **KENNY LOFTON** returned to the wigwam after a one-year hiatus in Atlanta and Man of the Year **MANNY RAMIREZ** broke Rocky Colavito's franchise records for HR (45) & RBI (145) by a rightfielder. **MIKE JACKSON**, signed as a free agent prior to the 1997 season, saved 40 of his 45 chances in his first full season as Indians closer. The Indians defeated the Boston Red Sox in the Division Series (3 games to 1) for the second time in four years before falling to the World Champion New York Yankees in their 3rd ALCS in last four seasons.

The Indians plan, implemented by owner **RICHARD JACOBS & GM JOHN HART**, was not designed for a one year run but to provide Indians fans with a contending team for many years. To ensure the success and long-term stability of the franchise, the Indians began signing their core players to long-term contracts in 1992 and continue to do so to this day. Currently, all nine Indians position players are signed thru the 2000 season as are four of the Tribe's five starting pitchers. Having the most supportive following in Major League Baseball today, a big league record 292 consecutive sellouts in a state-of-the-art facility and a quality farm system provides the club with the resources to field a competitive ballclub year after year.

This plan has put the club in the post-season for four straight years during the "Jacobs Field Era" after playing in October only three times in the first 94 years of the franchise's existence.

LOUIS SOCKALEXIS

The Cleveland Indian (1871-1913)

Louis M. Sockalexis was a Penobscot Indian from Old Town, Maine and the first American Indian to play major league baseball. The 1997 season marked the 100th anniversary of Sockalexis' first season in a Cleveland uniform.

Sockalexis, who played collegiate baseball at Holy Cross College in Worchester, MA, joined the Cleveland club in 1897. In his first season with the team he hit at a .338 clip.

His career was short-lived as Louis played for only three seasons. Over his brief three year career he compiled a .313 batting average. In his 2nd season with Cleveland Louis saw his average dip to .224. His final summer in the majors was 1899 when he appeared in only seven games and batted .273.

The team employed several nicknames throughout the years prior to the arrival of Sockalexis and after his departure. The one that was used for the longest period of time was "Naps", in honor of the team's player-manager Napolean Lajoie.

After Lajoie was released in 1914 a Cleveland newspaper held a contest to rename the team. The winning entry in the contest was "Indians". The fan that sent it in explained that it would be a testament to the game's first American Indian. The memory of Louis M. Sockalexis was not forgotten then, and today, 84 years later, he is still remembered.

CLEVELAND ALL-STAR REVIEW

TOP THREE ALL-STAR CROWDS

72,086 at Cleveland Stadium on August 9, 1981
69,831 at Cleveland Stadium on July 8, 1935
68,751 at Cleveland Stadium on July 13, 1954

GAME ONE AT CLEVELAND STADIUM — July 8, 1935

American League 4, National League 1

A crowd of 69,831 — the largest throng to see an All-Star Game (until 1981 in Cleveland) — packed the lakefront Stadium for just the third mid-summer classic in history. The partial American League crowd was thrilled to a 4-1 junior circuit victory, the A.L.'s third straight All-Star win.

Jimmy Foxx belted a two-run homer in the first inning and the American Leaguers coasted to the win as Lefty Gomez and Mel Harder baffled the National League hitters.

GAME TWO AT CLEVELAND STADIUM — July 13, 1954

American League 11, National League 9

In a spectacular slugfest that set All-Star marks for runs and hits by the two clubs, the American League edged the National 11-9. The slugfest produced six home runs, including four by the A.L. The Indians' Al Rosen clubbed a pair of homers while he and his Cleveland teammates Bobby Avila and Larry Doby combined for eight RBI.

The 1954 contest was a wild seesaw contest which saw the lead change six times before the A.L. pulled out the 11-9 win with a three run rally in the eighth. Ironically, it was Nellie Fox's broken bat single over second base with the bases loaded in the eighth that provided the margin of victory.

GAME THREE AT CLEVELAND STADIUM — July 9, 1963

National League 5, American League 3

After four years as a double feature, the All-Star Game went to a single performance and saw the National League utilize its speed and gain its first Cleveland Stadium win, 5-3.

Willie Mays was easily the game's outstanding performer, going 1-for-3 with two RBI, two runs scored, two stolen bases, a walk and the game's most scintillating catch. 44,160 fans saw the action.

GAME FOUR AT CLEVELAND STADIUM — August 9, 1981

National League 5, American League 4

An all-time record All-Star Game crowd of 72,086 welcomed back baseball from the 50-day players strike and saw the National League edge the American 5-4. The 72,086 fans gave Cleveland the top three crowds in All-Star history.

Gary Carter clubbed two home runs, including a seventh inning solo shot to put the National Leaguers ahead to stay. Cleveland's Lenny Barker faced just six batters in his two innings of work, striking out one.

GAME FIVE AT JACOBS FIELD — July 8, 1997

American League 3, National League 1

Indians host the 68th Mid-Summer Classic for a record 5th time as Sandy Alomar hit a 2-out, 2-run homer off SF LHP Shawn Estes in the 7th inning, breaking a 1-1 tie. Alomar sent 44,945 fans home happy, becoming the first Indian ever to win an ASG MVP and the first player in MLB history to be named MVP in his home park.

Randy Johnson and Greg Maddux started the contest and a total of 14 pitchers were used. Edgar Martinez & Javy Lopez also homered in the game, which took just 2:36 minutes to play.

INDIANS RETIRED UNIFORM NUMBERS

BOB FELLER — #19

Arguably the greatest right-handed pitcher of all-time, the Van Meter, Iowa native joined the Indians as an 18 year-old in 1936 and played 18 years with the Tribe. Feller compiled a lifetime record of 266-162 with a 3.25 ERA. He is the Indians all-time leader in shutouts (46), innings pitched (3,827), wins and strikeouts (2,581).

Bob appeared in 8 All-Star games, more than any player in the history of the Indians and started the 1941 and 1946 games.

Feller won twenty or more games six times and won a career-best 27 games in 1940. Bob also led the league in strikeouts seven times and in 1946 he won 26 games and struck out 348 in 371.1 innings and the 348 strikeouts is still a single-season team record.

"Rapid Robert" tossed three no-hitters in his career. Feller's first no-hitter came on April 16, 1940 in a 1-0 victory at Chicago in 30-degree weather and it remains as major league baseball's only opening day, no-hitter.

Bob lost three years of his career serving in the military (1942-44) and saw limited action in 1945.

Bob Feller's #19 was retired by the Indians in 1957, the first number retired by the club and he was elected to baseball's Hall of Fame in 1962.

LARRY DOBY— #14

On July 3, 1947, Indians owner Bill Veeck signed Larry Doby to a major league contract. Two days later he appeared in his first American League game, becoming the first black player in the league. This trailblazer enjoyed a magnificent 13-year big league career, ten of those seasons were spent in Cleveland with the Tribe.

Larry helped lead the Indians to their last World Championship in 1948. In the '48 W.S. he batted a team-leading .318 and his 400-foot homer off the Braves Johnny Sain won Game 4 for the Indians. In 1950 he was recognized as the game's best centerfielder by The Sporting News. He led the AL in home runs (32) and RBI (126) in 1954 and Larry was a six-time All-Star spanning 1949-1954.

Prior to joining the Indians, Doby was a standout for the Newark Eagles of the Negro National League. In 1946, Doby led the Eagles to the World Championship, batting .397. He was hitting .414 with the Eagles in '47 before signing with the Indians.

Larry finished his outstanding major league career following the 1959 season. In his career he clubbed 253 home runs, collected 969 RBI and owned a .283 (1515-5348) batting average.

Larry Doby's #14 was retired by the Indians on July 3, 1994, exactly 47 years after he shattered the race barrier in the American League.

BOB LEMON — #21

Bob Lemon spent his entire 15 year major league career with the Cleveland Indians. Lemon was converted to a pitcher after serving in the Navy in World War II after a stint at third base in the big leagues with the Tribe in 1941 & '42. After converting to pitcher, Lemon was a member of "The Big Four" and became one of the dominant AL starters over his 13 year pitching career during the late 1940s and 1950s.

Lemon's pitching prowess left him as one of the best pitchers in the history of the Indians franchise. His seven (7) 20-win seasons are the most by any pitcher in the history of the franchise. He currently ranks 3rd in Indians history in wins (207), innings (2850.0IP), strikeouts (1277), starts (350) and shutouts (31). He is 4th in club history in appearances (460) and complete games (188) and is 5th in winning percentage (207-128, .618).

During the Tribe's last World Championship campaign of 1948, "Lem" went 20-14 with a 2.82 ERA and led the American League in complete games (20), shutouts (10) and innings pitched (293.2IP). The sinkerballer followed his regular season performance up with a 2-0 record in the World Series vs. the Boston Braves w/a 1.65 ERA in 2 starts. Overall, Lemon led the American League in wins three times, complete games five times, innings pitched four times and shutouts and strikeouts one time each. A 7-time AL All-Star, Lemon was named The Sporting News Pitcher of the Year in 1948, 1950 & 1954. An outstanding hitting pitcher, Lemon compiled a career average of .232 (274-1183) with 37 HR, which is one short of the All-Time record by a pitcher (Wes Ferrell-38). He owned a .284 (31-109) mark as a pinch-hitter.

After his playing career was over in 1958, Lemon managed for eight seasons in the majors with the KC Royals, Chicago White Sox and New York Yankees, compiling a mark of 430-403 (.516). He managed the New York Yankees to the World Series title in 1978 and the AL crown in 1981.

He was elected into the National Baseball Hall of Fame in 1976 and his number 21 was retired by the Indians on June 20, 1998.

LEAGUE PARK — Constructed in 1891 at Lexington Avenue and East 66th Street as the home field of Cleveland's professional baseball team. A capacity crowd of 9,000 jammed into the new park on opening day, May 1, 1891, to watch Cy Young beat Cincinnati 12-3. The wooden park was dismantled, following the 1909 season and replaced by a steel and concrete structure which was still known as League Park.

DUNN FIELD — League Park was rechristened Dunn Field in 1920 in honor of owner James Dunn. The name reverted to League Park following Dunn's death in 1927.

INDIANS BROADCAST HISTORY

The early days of baseball play-by-play broadcasting in Cleveland were highlighted by change. Broadcasting legend Tom Manning, known for his field announcing at League Park, was heard over radio station WTAM from 1929-31 covering most home games. Ellis Vander Pyl started the 1932 season on WHK, but was quickly replaced by another broadcasting legend, former Tribe player Jack Graney. For the next decade, when Tribe baseball was on the air, Graney was at the mike. His noteworthy partners included Gil Gibbons, Pinky Hunter and Lou Henry. In 1945, no Cleveland baseball broadcasts were heard because of radio network committments. Permanent radio play-by-play of Indians games was established in 1946 when Bill Veeck purchased the team. Before the sale, no games were broadcast in 1946. Soon after the Veeck purchase four stations carried the Tribe game of June 28, 1946 (Graney and Bob Neal on WGAR, Earl Harper on WJW, Don Campbell on WHK, and Manning on WTAM).

Hamilton will be joined in the booth with Mike Hegan and Dave Nelson to provide commentary for all 162 regular season games and 20 spring training contests on WTAM, 1100 on the AM dial.

Tom came to the Indians after spending three seasons as a broadcaster for the AAA Columbus Clippers, the top farm club of the New York Yankees.

Previously, Tom worked in Milwaukee, Appleton, Watertown and Shell Lake, Wisconsin. Some of his broadcasting credits include the University of Wisconsin football games, University of Colorado basketball games, the Appleton Foxes minor league baseball games and work for ABC radio.

During the off-season, Tom does television basketball broadcasts for the Big Ten Conference on ESPN.

Hamilton is a native of Waterloo, Wisconsin. He resides in Avon Lake, OH with his wife, Wendy. The Hamilton's have four children: Two boys, Nicholas and Bradley, and two girls, Kelsey and Katie.

DAVE NELSON begins his second season as a member of the Tribe radio broadcast team alongside Tom Hamilton and Mike Hegan. Davey also spent two seasons in the radio booth on WGN-AM broadcasting Chicago Cubs games in 1988-89.

Nelson has been affiliated with the organization since 1992, spending six seasons as Mike Hargrove's first base and baserunning coach from 1992-97. He began his coaching career in 1981 in the same position with the Chicago White Sox. He remained with the White Sox from 1981-84 and served as the White Sox' roving minor league infield and baserunning instructor in 1985. He spent two seasons with the Oakland Athletics (1986-87) as Director of Instruction before joining the Cubs broadcast team with Harry Caray and Dewayne Staats.

Davey enjoyed a 14-year professional playing career, spending 10 seasons in the big leagues. He started his professional career in 1964 in the Indians organization and made his major league debut with the Tribe in 1968. After two seasons with the Tribe at the big league level he moved on to the Washington Senators in 1970. His top base stealing campaign was in 1972 when he registered 51 steals, just one off Bert Campaneris' AL-leading total of 52. The 1973 American League All-Star compiled a career average of .244 (630-2578) with 187 steals in 813 big league games from 1968-77.

David Earl Nelson, who is single, resides in Sarasota, FL and has one son, David Harrison (3/2/81).

TRIBE BROADCASTERS

WUAB-TV 43, the television home of the Cleveland Indians, will telecast 75 regular season games and three spring training games in 1999.

JACK CORRIGAN will return for his 15th season in the Indians television broadcast booth for the 1999 campaign. Corrigan's 14 years of broadcasting Tribe games on television is the longest tenure among TV announcers in the history of the Indians.

A native Clevelander, Corrigan has been involved with play-by-play and color commentary for the Cleveland Cavalier telecasts and the MISL Cleveland Force, in addition to his work with the Tribe. Since 1989, he has also been the "television voice" for college football and basketball games for the Atlantic Coast Conference, Conference USA and the Patriot League.

Jack is a graduate of St. Ignatius High School and Cornell University, and he has a Master's degree in Speech from Kent State University. During the off-season, Jack also coaches football at St. Ignatius, the 7-time Division I State Champions. He is on the Board of Trustees for Lawrence School, the Great Lakes Theater Festival, the Town Hall Speaker series, and he continues his involvement with Our Lady of the Wayside. Jack and his wife, Lisa, have two children, Megan and Michael, and reside in Westlake.

MIKE HEGAN is in his eleventh season as a Tribe broadcaster in 1999, teaming up with Tom Hamilton and Dave Nelson in the Indians radio booth as well as Jack Corrigan on 75 games that will be broadcast by WUAB-TV 43.

Hegan will handle both play-by-play and color analysis on the Indians Radio Network during 1999 Indians games which WUAB- TV 43 is not televising. Hegan will fill the analyst role when teamed with Tom Hamilton in the radio booth and will call play-by-play action when teamed with Dave Nelson for the 2nd straight year. During WUAB- TV 43 games Hegan will still handle television duties with his longtime partner Jack Corrigan.

Mike came to the Indians in 1989 after 12 seasons as a Milwaukee Brewers television announcer. Prior to his broadcasting career, Hegan played 12 years in the Major Leagues (1964-77) with the New York Yankees, Seattle Pilots, Milwaukee Brewers and the Oakland A's. The former 1st baseman-outfielder represented Seattle in the 1969 All-Star Game and played on the 1972 World Championship Oakland A's team. Mike is the son of former Indians catcher, Jim Hegan, who played with the Tribe for 14 seasons.

Mike and his wife, Nancy, reside in Hilton Head, SC. They have two sons, Shawn and J.J.

TRIBE BROADCASTERS

Former Tribe center fielder **RICK MANNING** returns for his tenth full season as color commentator for **FOX SPORTS OHIO** and will team up with John Sanders to broadcast 70 regular season and two spring training games in 1999.

Manning began his professional baseball career with the Cleveland Indians as the #1 selection in the 1972 June draft. The first 8½ years of his 13-year major league career were spent in Cleveland (1975-1983) where he won a Gold Glove in 1976 for his fielding prowess. Manning was also selected as the BBWAA "Good Guy" award winner for the 1980 season. His numbers as a Cleveland Indian included a .263 average (1053-3997), 36 HRs and 336 RBI. Rick concluded his career with the Milwaukee Brewers (1983-1987) and posted a .257 career average, hitting 56 home runs and driving in 458 runs.

Rick and his wife, Sue, reside in Chesterland.

JOHN SANDERS, a 31-year broadcast veteran, is in his ninth season as the play-by- play voice of the Indians on the Tribe's cable home, **FOX SPORTS OHIO**.

Sanders joins Rick Manning in the booth to broadcast 70 Indians games in 1999 on FOX SPORTS OHIO. John came to Cleveland in 1991 after spending nine seasons as the play-by-play announcer for the Pittsburgh Pirates.

Sanders, a Kansas native, started his career in 1965 at WIBW-TV and radio in Topeka, upon graduation from Kansas State University. In 1966 he took a job at KMBC-TV in Kansas City, MO as the sports and news anchor. He remained at KMBC for 12 years and was the play-by-play announcer for the Kansas City Chiefs of the NFL, NCAA college baseball and Kansas City Blues hockey.

In 1978, John made the jump to KDKA-TV and radio in Pittsburgh and in 1981 he began announcing Pirates games. In 1990, Sanders served as play-by-play announcer for ESPN's regional Major League Baseball telecasts.

Sanders resides in Pittsbugh, PA with his wife Cherie and two daughters, Gabrielle and Hilary.

Cleveland Indians Community Relations Director, **ALLEN DAVIS** (pictured), and **LUIS TORRES** will continue to provide the commentary for the Indians Spanish radio broadcasts including a full pre-game and post-game show for all weekend (Saturday and Sunday) games at Jacobs Field.

Davis, a native of Bayamon, Puerto Rico, is a former talk-show host on SportsRadio WKNR 1220AM, and a former reporter on WKYC TV3 and WEWS TV5. Davis will handle the play-by-play duties.

Torres, a native of Juana Dias, Puerto Rico, where he played amateur baseball until the age of 20, is currently the Hispanic Chaplain for Metrohealth Medical Center and the church minister for Hispanic Ministry. Torres will handle the color commentary.

HOW TO FIGURE

BATTING AVERAGE
Divide the total number of hits collected by a player by the total number of at bats. (i.e. Player A is 12-for-40 or .300.)

SLUGGING PERCENTAGE
Divide the number of total bases by the total number of at bats. i.e. Player A's 12 hits include six singles (6), one double (2), two triples (6) and three home runs (12) for 26 total bases in 40 at bats and a .650 slugging percentage.

EARNED RUN AVERAGE
The total number of earned runs allowed by a pitcher is divided by the total number of innings pitched and then multiplied by nine for his per-game average. (i.e. Pitcher B has allowed 12 earned runs in 45 innings of work for a 2.40 ERA.)

FIELDING AVERAGE
The sum of putouts and assists is divided by the sum of putouts, assists and errors. (i.e. Player C has made 16 putouts and 24 assists and two errors. That's 40 putouts and assists divided by 42 chances for a fielding average of .952.)

WON-LOST PERCENTAGE
Divide the number of victories by the total number of games played. (i.e. 22 wins and 18 losses produce a winning percentage of .550.)

ON-BASE PERCENTAGE
The sum of hits plus total bases on balls plus hit-by-pitches is divided by the sum of at bats plus total bases on balls, hit-by-pitches and sacrifice flies. (Does not include being awarded first base on interference or obstruction.)

ITEMS OF INTEREST

FREE AGENT DRAFT RULE

Major League and National Association clubs meet once a year for the purpose of drafting free agent player talent. Selection of a free agent entitles the club to the exclusive right of negotiation with that player. Approximate date of draft meetings: Summer (early June).

Clubs choose in inverse order of Major League standings, selecting free agents and previous draftees who had not signed contracts but had instead enrolled in four-year colleges and since had either completed his junior year or become 21 years of age . Each organization may select only one player for each of its major league, AAA and AA rosters but is not limited to the number of picks for the "A" level. Minor League clubs select in the same relative order as their parent clubs.

SUSPENDED GAME RULE

A game terminated by curfew or prearranged time limit is a suspended game if it has progressed far enough to be an official game. (i.e., $4^{1}/_{2}$ or 5 innings, Rule 4.10) A game terminated by light failure or malfunction of a mechanical field device under control of the home club is a suspended game anytime after it begins.

Suspended games shall be resumed at the exact point of suspension immediately preceding the next scheduled, single game between the two clubs on the same ground. If this is not possible, other provisions for resumption are specified in American League Regulation 4.12.

Any LEGAL game called due to weather with the score TIED is a tie game and must be replayed in its entirety.

TRADING REGULATIONS

- The trading "deadline" is now July 31, waivers are required for any inter- or intra- Major League assignment during the period beginning August 1 and ending at 5 PM ET the day after the end of the season. During the other ten months of the year, no waivers are needed.
- It will be easier to compute which players need waivers before they may be optioned: if three years (less one month for each previously spent on option) have elapsed since the player actually reported to the major leagues for the first time, waivers are required. The date of the actual physical reporting will be used as a benchmark instead of the date the player was placed first on the 40-man roster.

The procedure for assignment waiver requirements are as follows:

CLUB FROM/TO	31ST DAY OF SEASON TO 7/31	8/1 TO 8/31	9/1 TO LAST DAY OF SEASON	END OF SEASON TO 30TH DAY OF SEASON
ML to ML	NONE	ML	ML	NONE
ML to NA (opt)	ML	ML	ML	ML
ML to NA	OR	OR	SPL	SPL

There are four different types of waiver requests:
Major League Waivers, Special Waivers (irrevocable), Outright Waivers (irrevocable), and Unconditional Release Waivers.

Outright Waivers (OR) are ML waivers and expire at the end of the waiver period in which they were secured MLR 10 (f).

The club must tender a special waiver request specifying that waivers are requested for the purpose of outright assignment to the National Association. The claiming period, as with other waivers, is three business days, and an assignment pursuant to special waivers must be completed by 2PM ET the seventh day after waivers are secure.

ROOKIE QUALIFICATIONS

A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of the 25-player limit (excluding time in military service).

SAVE RULE

A relief pitcher shall be credited with a save when he meets all three of the following conditions: (1) he is the finishing pitcher in a game won by his club, (2) he is not the winning pitcher, and (3) he qualifies under one of the following conditions: (a) he enters the game with a lead of no more than three runs and pitches for at least one inning, or (b) he enters the game with the potential tying run either on base, at bat or on deck (i.e., the potential tying run is either on base or is one of the first two batsmen he faces), or (c) he pitched effectively in the last three innings.

PLAYER LIMITS

25 players from opening day through August 31— 40 players from September 1 through end of season. Players in military service do not count against the under control list while on active duty. Upon separation from the service, a player will be reinstated to his club's normal player limits after he has completed a 15-day trial period or has participated in a championship game, whichever comes first.

MAJOR LEAGUE SERVICE

- Is credited for each day the player appears on an active roster or major league disabled list or suspended list.
- In the case of a player called up from the minor leagues, is credited beginning with the date he physically reports.
- In the case of a major league player who is traded and reports in the normal course, service is not interrupted.
- In the case of a major league player sent down to the minor leagues, is credited through the date of the assignment.
- In the case of a player who is unconditionally released, is credited through the date waivers are requested.
- In the case of a player designated for release or assignment (MLR 2), is credited after the designation, through the date of the actual assignment or the request for unconditional release waivers.
- For a player who appears on his club's opening day roster, is credited as of the earliest scheduled opener, without regard to the actual opening date of his own club.
- Is credited at the rate of 172 days per "year," though the season is actually 182 days long.
- Is not credited during any period or periods of optional assignment totalling 20 days or more during a single season.

DETERMINING THE MAGIC NUMBER

Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DISABLED LISTS

- Supplemental (15-day): NO LIMIT
- Emergency (60-day): The emergency DL can only be used if the club is at the maxmum limit of 40 players.
- Maximum: No limit on the number of players. (Players carried on this list do not count against 40-man under control limit. If placed or transferred here after 8/1, player must remain through the end of post season.) Day one is day following players last game appearance.
- Reinstatement may be made after the beginning Day 16 or 61 respectively; after minimum period has expired player may be reinstated at any time (except in certain "Emergency" cases. *See above.*)

AMERICAN LEAGUE CURFEW RULE

All night games must be called at 1AM, local time. However, if an inning is started prior to 1AM, it can be completed. Curfews shall be waived for the final series of the season, in each of the two parks of two contesting teams.

BATTING-PITCHING QUALIFICATIONS

To qualify for the American League batting championship, a player must have 502 or more plate appearances. (This is equivalent to at least 3.1 for each of the 162 scheduled games.) Pitchers must work 162 or more innings to qualify for the earned run average title.

PINCH HITTER RULE
A player shall be considered a pinch hitter if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up). A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate, he is a designated hitter only.

DESIGNATED HITTER RULE
A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included in the lineup cards presented to the umpire-in chief prior to the game. Failure to do so precludes the use of a designated hitter for that game. The designated hitter is "locked" into the batting order, but may be removed for a pinch-hitter or a pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

DEFINITION OF A NIGHT GAME
Any game scheduled to start after 6:00 PM will be considered a night game. If a game is scheduled to start at 6PM and is delayed by rain, or for any reason, it will be considered a day game; if a game is scheduled to start at 6:01PM, it will be considered a night game. Twi-night doubleheaders shall be included in double-header statistics and shall be considered two night games. When afternoon and night games are played on the same date with separate admissions, the games shall be day and night and count as single games.

CONSECUTIVE GAME HITTING STREAKS
A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

JACOBS FIELD

A Rallying Point for the Indians and the City of Cleveland

Professional baseball in Cleveland is one of the city's oldest traditions, dating back to 1869. There is a passionate connection between the city of Cleveland and the Indians as they are a study in revival. Both are working, living examples of the power of teamwork, conviction and dedication. When team president **RICHARD JACOBS** and his late brother, **DAVID**, bought the Cleveland Indians in 1986, they committed themselves to a significant investment in a long-term strategy to build a winning formula in Cleveland baseball. That format is based on the creation and maintenance of a young, talented and exciting Major League club; a solid and productive player development system; and a world-class baseball-only ballpark created with the intent to maximize the "total experience" of Northeast Ohio baseball fans. Jacobs Field has become a crucial rallying point for both the Indians and the city of Cleveland. It stands as a powerful symbol of the team's and city's rebirth and promising future. Since its opening in 1994, Jacobs Field has treated millions of baseball fans to the very finest in sports entertainment. *Money* magazine echoed these sentiments, listing Indians baseball at Jacobs Field as the best fan value in major professional sports in its October, 1995 issue.

While there is no magic formula for rebuilding a baseball team, the strategy employed by the Cleveland Indians has produced a championship-caliber ballclub playing to sold out crowds in one of the finest sports facilities in the world: **JACOBS FIELD.**

Historic Time for a City and Its Team

Historians are certain to identify the year 1994 as a significant time in the renaissance of the city of Cleveland. And it is the Gateway Sports and Entertainment Complex, consisting of Jacobs Field, the home of the Indians, and Gund Arena, the new home of the CAVS, that will be remembered as the crowning jewel in the city's ever-changing urban landscape. Symbolic of the rebirth of Cleveland and the spirit of partnership that has sparked it, the Gateway Sports and Entertainment Complex was made possible by its own 50/50 public/private partnership—through the support and cooperative efforts of the Cleveland business community, government, the Indians, our neighbors the CAVS, sports fans, and, most importantly, the people of Cuyahoga County. This unique and admired public/private partnership has produced more than just a sports complex, it has birthed an urban development plan that is designed to spur economic growth in downtown Cleveland. Complementing that plan is the new home of the Cleveland Indians—Jacobs Field, which was built solely for baseball with a capacity of 43,368.

Built with Fans' "Total Experience" in Mind

The Cleveland Indians organization and the Gateway Economic Development Corporation worked closely to fund, design, and build a world-class facility created expressly for baseball, specifically for Cleveland, and most importantly, with the fans' "total experience" in mind. In planning for our fans' "total experience" at Jacobs Field, we identified the features and amenities the team and our fans wanted the most, studied the best concepts from ballparks around the country, and added innovations of our own. The result is one of the finest baseball facilities in the United States, and a facility that is uniquely Cleveland.

An Urban Ballpark

Jacobs Field is an urban ballpark in the truest sense, both architecturally and aesthetically. Built within the physical boundaries of three main streets in downtown Cleveland (Ontario to the west, Carnegie to the south, and E. 9th Street to the east), Jacobs Field offers a fan-friendly facility featuring an intimate environment. The exposed steel design, which matches that of the many bridges on the Northcoast, and the vertical light towers, which match the smoke stacks of Cleveland's industrial zone and the high-rise office buildings in Cleveland's growing downtown area, are just a couple of Jacobs Field architectural features that blend with Cleveland's cityscape.

Inside Jacobs Field

When you enter Jacobs Field you are at the mid-level of the ballpark, where you are treated to a panoramic view of the field, which lies 18 feet below street level.

The field is asymmetrical, has nooks and crannies for added excitement, and has proven to be a hitter's park. The playing field at Jacobs Field measures 325' feet down each line, 405' in dead center, 370' to the left-field alley, and 375' to the right-field alley. The deepest part of the park, 410' away from the plate, lies in left-center field. The signature feature of the left field area is the 19-foot "little green monster" that also houses the out-of-town scoreboard. Perched above the 19-foot wall is a bleacher section, similar to that of famed Wrigley Field. The bleacher section seats 2,731 and is approximately 100 feet closer to home plate than the bleachers at Cleveland Stadium. Positioned majestically above the bleachers is the largest free-standing scoreboard in the United States, measuring 120 feet high by 220 feet wide. The scoreboard features a four-color animation matrix board, a giant game-in-progress scoreboard, and a full-color Sony Jumbotron instant replay video board. All of these visuals are then accompanied by a state-of-the-art sound system. In center field, where the outfield wall drops from 19 feet to 8 feet, we find the deepest part of the ballpark, 410 feet away from the plate, just to the left of dead center. The fence then continues at 8 feet to the right field corner, where it rises back to 19 feet at the foul pole. The Indians bullpen is located in the center field area and features three mounds. The visitor's bullpen, which hugs the right field foul pole, also features three mounds. Located next to and above the Indians bullpen is another signature feature of Jacobs Field—the four-tiered Back Yard. The Back Yard is a park-like setting complete with trees, shrubs, and wooden picnic tables. It is the perfect spot for company outings and special group events.

The Seating Bowl

The seats at Jacobs Field are among the most comfortable in the game with more leg room due to wider aisles. In addition, better elevation between rows means clear and unobstructed sight lines to the field. An innovative feature at Jacobs Field is the angled seating sections. Located just beyond the dugouts in both the lower and upper decks, the seats are angled 8 to 12 degrees, offering fans who sit in these sections a view of the middle of the diamond minus the crick in the neck. The lower and upper seating bowls have easy access to 40 modern and convenient restrooms, 19 for men, 19 for women, and two unisex restrooms for persons with disabilities and those with young children of the opposite sex.

Jacobs Field Food

One thing everyone enjoys at the ballpark is food, and Jacobs Field features a diverse and appealing menu of over 80 different items. Top quality concessions from Sportservice are available at 26 permanent locations throughout the park and numerous portable stands. Another signature feature of Jacobs Field is the two-sided concession stands, placed in the center of the concourse, which allow a constant view of the playing field. In addition, all concession stands are equipped with television monitors, so you can follow the game during your trip for refreshments. Convenient picnic tables are located within the concourse to allow fans a chance to sit and enjoy their treats.

Kidsland

Jacobs Field salutes our children's love of baseball with a fun-filled area called Kidsland. Kidsland is the home of Indians mascot, Slider, and features specialty concessions and souvenirs just for kids, including peanut butter and jelly sandwiches, cookies, ice cream, and juice boxes. Oh, to be a kid at Jacobs Field!

Getting to Jacobs Field

Jacobs Field was designed to accommodate fans and families alike, offering easy access by car, ample parking and convenient public transportation. Directional signage, well-lighted streets, and special events security help make a visit to Jacobs Field both easy and safe. More than 5,000 parking spaces are available within a 5-minute walk of the ballpark, with an additional 12,000 spaces within a 5-10 minute walk. These 17,000 spaces can easily accommodate the capacity crowds Jacobs Field has attracted. And if there was ever a perfect marriage, it is RTA and the Gateway Sports and Entertainment Complex. The RTA Tower City rapid station, the hub of RTA, is easily accessible via an enclosed, underground walkway that connects the Tower City food court with Gund Arena. In addition, RTA buses have drop-off lanes at Jacobs Field.

JACOBS FIELD PLAYING SURFACE

SOD: The playing surface at Jacobs Field is composed of 105,000 square feet of sod. The sod is a blend of four varieties of bluegrass. The playing field is constructed to mirror the specifications for a United States Golf Association golf green. The field contains perforated drain lines which run horizonatally across the field every 20 feet. Following this, there are two layers of pea gravel—the first is four inches deep and the second is two inches deep. Even deeper there is a 12 inch layer of rootzone sand, which is a mixture of peat moss and sand. The various layers below the field not only create favorable growing conditions for the sod but also drain water at a rate of 12 inches per hour.

INFIELD CLAY: The infield clay area is really a mixture of sand and clay. 75% of the infield is sand and the other 25% is clay with five tons of soil conditioner added for color and texture. The infield clay area is 12 inches deep— six inches of clay and six inches of pure sand depth.

WARNING TRACK: The warning track at Jacobs Field is composed of a rubberized surface. It contains centralized drain line, angular road rock, two layers of asphalt and is capped with rubberized surface. All materials are porous giving the warning track the ability to drain water at a rate of 23 inches per hour.

Clubhouses
The Indians' clubhouse and the visitors' clubhouse are located on the Service Level of the ballpark (See *Service Level Access*). Once you have reached the Service Level, the home clubhouse is on the left side about 50 yards down. The visitors' clubhouse is past the Indians' clubhouse and the entrance to the Dugout Suites, on the left side with the glass-front double doors.

Pre-game: All working media with clubhouse credentials will be admitted from 3 ½ hours until 45 minutes prior to game time.

Post-game: Clubhouses will be open to working media with clubhouse credentials no later than ten minutes after the final out has been made.

Doubleheaders: In between games of a traditional doubleheader the clubhouse will be closed to the media. However, the manager's office will be open. Clubhouse is open for 45 minutes between games of a "day/night" doubleheader.

Credentials
To obtain credentials your initial request must be made through the mail on letterhead and sent to the Media Relations Department. No credentials will be mailed.

Fax Service

Field
Properly credentialed media will be permitted on the field until one-half hour prior to game time. Photographers with field photo credentials will be permitted in the first and third base photo boxes during the game.
